CONFERENCE ON INNOVATIONS IN SCIENCE & TECHNOLOGY 2025 (CIST-2025)

24th to 26th April, 2025

Organized By

INSTITUTE OF TECHNOLOGY & MANAGEMENT

AL – 1, Sector – 7, GIDA,
Gorakhpur – 273029 (U.P.)

IN ASSOCIATION WITH

The Institution of Engineers (India)

GORAKHPUR LOCAL CENTRE

ABOUT THE INSTITUTE

The Institute of Technology & Management, GIDA, Gorakhpur, established in year 2001, approved by AICTE, New Delhi & Pharmacy Council of India, New Delhi affiliated to Dr. A. P. J. Abdul Kalam Technical University, Lucknow & Board of Technical Education, U.P., offers B. Tech (NBA Accredited Department of Computer Science & Engineering), MBA, D. Pharma, B. Pharma, M. Pharma, Diploma in Engineering, BBA, BCA, BA LLB, B. Voc. BFSI (Banking Finance Services & Insurance) courses

ABOUT INSTITUTION OF ENGINEERS

The Institution of Engineers (India) is the largest multidisciplinary professional body that encompasses 15 engineering disciplines and has 0.8 million members. Established in 1920, it has served the engineering fraternity for over a century and is recognized as a Scientific and Research Organization by the Government of India. It provides technical, professional, and support services to the government, industries, academia and the Engineering fraternity

ABOUT THE CONFERENCE

The "Conference on Innovations in Science and Technology" will serve as a dynamic platform where pioneering ideas converge to shape the future of scientific advancement. With a focus on fostering collaboration and showcasing breakthroughs, this event will bring together leading researchers, scholars, and industry experts from all over India. The overarching theme revolves around harnessing innovation to address pressing challenges across various domains, from healthcare and biotechnology to artificial intelligence and renewable energy.

Attendees can expect a rich tapestry of discussions, presentations, and workshops exploring cutting-edge research, emerging technologies, and their real-world applications. Through interdisciplinary exchanges and networking opportunities, participants gain insights into the latest trends, forge valuable partnerships, and inspire novel solutions to complex problems.

PUBLICATION

The technical volume of the conference will be published incorporating all accepted papers, and write-ups on the subject for general appreciation, and made available to the registered participants. The accepted papers shall be considered for publication in journals (Scopus indexed) as well as in a conference proceeding with ISBN.

CALL FOR PAPERS

All accepted full-length papers will be published after the peer-review process (as the policy of conference and Journals) in Conference proceedings or Scopus indexed Journals. The format of the manuscript should be strictly according to IEEE format (double column). Authors are being invited to submit their original research papers previously unpublished, not currently under review by another conference or journal. All submissions will be subjected to at least two blind reviews. Acceptance will be based entirely on quality, relevance, and originality. Only abstracts can also be submitted in case publication is not required.

CIST-2025 is focusing on high quality research paper in following major disciplines but not limited

Track 1: Integrating IoT, Edge Computing, Data Analytics and Energy Efficiency for Computing Sustainable Smart Systems:

Block Chain Technology and its applications beyond crypto currencies. Network Security and Firewalls, Secure Software Development, Big Data Mining & Analytics, Computer vision & Pattern Recognition, Computer Graphics & Virtual Reality, Quantum Computing, Virtual / Augmented Reality, Image Processing, Mobile Computing IT governance and risk & compliance.

Track 2: Sustainable Development in Design, Construction & Technology:

Advance Construction materials, Smart materials & Structures, Resilient & Disaster Resistant Structures, Green construction practices, Traffic Modelling, Soil, Nano Materials in Civil Engineering, Innovative building Techniques, Computational fluid dynamics, Life cycle design of products, FE/FD/FDV/Techniques, Automation & Robotics, Heat Power Engineering, Optimization methods, Surface Engineering, 5G, 6G Technologies, Cognitive radio networks, Biomedical Imaging, Flexible Electronics.

Track 3: Business Transformation & Digital Economy:

Cause Marketing, Customer Relationship management, Flywheel, Behavioural finance, Neuro Finance, Venture capital, Derivative Market, Blue ocean strategy-Recruitment, Talent Management, Social Entrepreneurship, Supply Chain Practices.

Track 4: Recent Trends in Pharmacy Practices & Drug Development:

Health economics outcomes research, Pharma co epidemiology, Translational Research, Concept Maps, AI in Drug Discovery, Nano bio-technology, Medical Chemistry/Pharmaceutical analysis, Phytochemistry, Pharmacometrics /PKPD Modelling and Healthcare.

IMPORTANT DATES

Full length paper submission deadline	05 th April, 2025
Notification of acceptance of full length paper	15 th April, 2025
Start of Registration	16 th April, 2025
Last Date of Registration	23 rd April 2025
Conference Date	24 th to 26 th April 2025
